

# 2016 Meeting

---

First time host George Mason University attracted over 140 attendees from as far away as Penn State University for two full days of workshops, panels, a key note address from Derek Alderman, and a dynamic Geobowl.

**Derek Alderman's**

**Keynote Address**

## A glimpse of the Geobowl

**More than 20 poster displays attracted a lot of conversation**

## Bowl team members from 5 universities taking a break
